16th Street Mall Pavilions,
Ste. 160 Denver, CO 80202

Phone: (303) 825-1020

Website: <http://www.5280burgerbar.com>

Description:

The idea behind 5280 Burger Bar started with two guys who love really good, high-quality burgers. With that in mind, we serve the finest, chef-crafted burgers, salads, appetizers and sides made from local, fresh, all-natural ingredients. We do this by serving burgers made from Colorado beef, never treated with hormones or antibiotics, and we source as much of our produce as possible from local and regional farms. We are so committed to freshness that we don't even have a freezer in our kitchen! We make many of the toppings for our burgers in-house, from our homemade American cheese, all of our sauces and ketchup, to our house-made buns baked fresh daily by our own baker. You can't beat the quality and flavors of our food.

In the mood for a beer? We offer 12 Colorado craft beers on tap daily. Does a cocktail or Shaketini, one of our signature adult milkshakes, suit you better? Stop by our bar to watch a game or kick back with friends. And when the weather is warm, catch some sun on our patio.

We also love ice cream, so we created 5280 Ice Cream, the creamery next to 5280 Burger Bar. At 5280 Ice Cream, we have an ice cream chef who churns our ice cream from scratch. We offer 16 flavors, eight everyday flavors for the chocolate and vanilla lovers and eight flavors that rotate, for those who like to step outside of the box a little more when it comes to ice cream flavors.
