

Event

Mardi Gras World

Want an authentic Mardi Gras experience?

Game on!

It's your krewe against the rest in this once-in-a-lifetime teambuilding exercise. Mardi Gras World artists will assist your team in designing your very own Mardi Gras mini float (5ft by 8ft). Teams of 8-10 people will work together to create the best float in their group. Finish strong with presentations, awards, and a mini parade. Dinner and drinks will be provided.

Note: you must register for this tour during registration. There will be no onsite registration available as we must give a final headcount two weeks prior to the event.
