MARK VALENTINI

New Congress, New Administration, New Priorities

Join Mark Valentini, PHCC's Vice President of Legislative Affairs for a discussion of PHCC's policy priorities for the 119th Congress. Mark will focus on energy, workforce, and small business and tax policies and their implications for PHCC and the plumbing and HVAC industry. Whether you're a business leader, policy enthusiast, or just curious about the future, this session offers valuable perspectives and engaging discussions to help you make informed business decisions and inspire you to take action.
